PETS FOR PATRIOTS
SHELTER/RESCUE PARTNER PROGRAM
Updated SEPTEMBER 2019
Pets for Patriots helps United States military veterans adopt a new pet friend while giving the most overlooked, undervalued shelter dogs and cats hope and a home.
Our VISION is no more veterans in need, no more homeless pets.

Our MISSION is to give the gifts of fidelity, joy and love to both veteran and pet through companion animal adoption.
What makes us different

We are the only nationally operating 501(c)(3) charity that:

• Is open to veterans at all career stages and from all armed forces, from WWII veterans to those currently in service

• Focuses on the most overlooked, undervalued sheltered animals (adult, special needs, long-term homeless dogs/cats, and large breed dogs)

• Commits to surrender prevention by making pet parenthood affordable for our nation’s military veterans, including access to ongoing discounted veterinary care
What makes us special

- Governance by a strong, independent Board with industry leaders across military, government relations, finance, marketing/sales, animal behavior and defense

- Single national HQ ensures program integrity, and consistency across operations, processes, brand and messaging

- Due to our demonstrable proof of concept, experience persistent demand for our program from communities across the country
Our mission is a call to duty

- **Collaborate with shelter/rescue partners** to place the most overlooked sheltered animals with military veterans who need a pet friend to address PTSD/depression, loneliness, social anxiety; to fill the void of a loved one’s deployment; for love and companionship

- **Ensure affordable, ongoing medical care** through partner veterinarians in the communities we serve

- **Ease stress of military transitions** on service members/their families

- **Educate the military community and public** about the benefits of companion pet adoption
WE PARTNER WITH SHELTERS, RESCUES, SPCAS, HUMANE SOCIETIES AND MUNICIPAL ANIMAL CONTROLS TO PLACE THE MOST OVERLOOKED DOGS AND CATS INTO LOVING MILITARY HOMES
Why it matters

• **20 veterans commit suicide daily:** depression and PTSD are major contributors; a new pet friend gives veterans a renewed sense of purpose and reason to live

• **22,000 dogs and cats enter shelters every day:** many either don’t make it out alive or languish in long-term homelessness

• **Pets for Patriots solves three problems:** provides healing to veterans, saves lives of the most overlooked sheltered animals, and helps our shelter/rescue partners adopt out the most adoption-challenged pets in their care
Why it works

• **Singular focus on the most overlooked dogs and cats**

• **Commitment to surrender prevention**: we provide various incentives to make pet guardianship more affordable over the life of the pet, reducing surrender due to short-term financial hardship

• **Family-friendly program**: wide appeal to veterans regardless of age or life circumstance, from seniors to young service members with kids

• **Engage adopters, donors and sponsors**: our program is uplifting because it saves lives of person and pet...and it works
Making it special

• Every shelter/rescue partner offers a ‘member patriot special:’ adoption benefit exclusive to our veterans as a way to say “thank you for your service”

• You choose what special to offer, some examples:
  • Adoption fee discount or waiver (most popular special!)
  • ‘Day one’ essentials (food, leash, collar, carrier, etc.)
  • Low- or no-cost pet training (can limit to ‘x’ number of sessions or y% off standard fees)
  • Coupons for local pet-care businesses (grooming, boarding)
  • The sky is the limit! We love new ideas from you

Eligible veterans

- Active, reserve, or separated members of the U.S. military at any career stage and from any armed forces; we serve veterans from WWII to those currently in service

- Adopting pet for himself/herself; cannot adopt on behalf of another person and MUST be legal owner/signatory for the adoption

- Approved by Pets for Patriots prior to pet adoption: all veterans MUST present their Pets for Patriots approval email/letter to shelter staff; they cannot just tell you their special Pets for Patriots number

COMPANION PETS HELP VETERANS AT ALL STAGES OF THEIR MILITARY LIVES
Pets make transitions easier

The commitment and fidelity required to parent a pet offers veterans a natural, nurturing and necessary transition from the rigors of military life, in some cases years after they separate from service.

Mark, disabled Marine Corps veteran and self-proclaimed “dog guy” made room in his heart for a cat named Callie.
Pets make people heroes

The most overlooked dogs and cats are spared near-certain death, and are given a second (or third, fourth or fifth) chance at life with military veterans who are inspired by their plights and feel duty-bound to save them.

Pets alleviate PTSD symptoms

Veterans with Post Traumatic Stress Disorder (PTSD) regain a sense of purpose and confidence in their futures.

Several months after adopting Eli, a one-eyed dog used as bait in a dog-fighting ring, Matthew was able to stop nearly all of his PTSD medication; the Army veteran calls Eli his “miracle.”
Pets reduce depression, anxiety

Veterans living alone or coping with depression, anxiety and loneliness are comforted by the security and friendship of a constant companion

Michael is a Navy veteran who overcame depression and loneliness with the help of Paco, an adult Pomeranian mix.
Pets for Patriots is proud to serve veterans from WWII through those currently in service, improving their quality of life one dog and cat at a time.

Bob is a Vietnam veteran who feels that someone finally said “thank you” for his service by helping him adopt Beau, “the best dog I ever had.”
